

## DAFTAR GAMBAR

|                                                                    |    |
|--------------------------------------------------------------------|----|
| Gambar 2.1 Manajemen Rantai Dingin .....                           | 16 |
| Gambar 2.2 Sampel darah.....                                       | 18 |
| Gambar 2.3 Donor darah.....                                        | 21 |
| Gambar 2.4 Transfusi produk darah .....                            | 22 |
| Gambar 2.5 Produk Whole Blood (WB).....                            | 24 |
| Gambar 2.6 Packed Red Cell (PRC).....                              | 26 |
| Gambar 2.7 Thrombocyte Concentrate (TC) .....                      | 28 |
| Gambar 2.8 Fresh Frozen Plasma (FFP) .....                         | 29 |
| Gambar 2.9 Plasma Konvalesen .....                                 | 30 |
| Gambar 2.10 Ilustrasi jaringan Internet of Things (IoT) .....      | 32 |
| Gambar 2.11 IIOT .....                                             | 33 |
| Gambar 2.12 ESP32.....                                             | 34 |
| Gambar 2.13 Modul SD Card Arduino.....                             | 35 |
| Gambar 2.14 SD Card.....                                           | 36 |
| Gambar 2.15 Blood Bank.....                                        | 38 |
| Gambar 2.16 Sensor DS18B20 .....                                   | 40 |
| Gambar 3. 1 Diagram Blok Sistem .....                              | 42 |
| Gambar 3. 2 <i>Diagram Alir Sistem</i> .....                       | 43 |
| Gambar 3. 3 Diagram Mekanis .....                                  | 44 |
| Gambar 4. 1. Pengambilan data perbandingan modul dan<br>DPM4 ..... | 55 |
| Gambar 4. 2. Pengambilan data pengukuran dengan DPM4 ..            | 55 |

|                                                        |    |
|--------------------------------------------------------|----|
| Gambar 4. 3. Pengambilan data penyebaran suhu .....    | 56 |
| Gambar 4. 4. Perbandingan suhu T1 modul dan DPM4 ..... | 57 |
| Gambar 4. 5. Grafik line penyebaran suhu T1 - T7 ..... | 65 |
| Gambar 4. 6. Grafik radar penyebaran suhu T1- T7 ..... | 65 |
| Gambar 4. 7. Grafik suhu T1 .....                      | 58 |
| Gambar 4. 8. Grafik suhu T2 .....                      | 59 |
| Gambar 4. 9. Grafik suhu T3 .....                      | 60 |
| Gambar 4. 10. Grafik suhu T4 .....                     | 61 |
| Gambar 4. 11. Grafik suhu T5 .....                     | 62 |
| Gambar 4. 12. Grafik suhu T6 .....                     | 63 |
| Gambar 4. 13. Grafik suhu T7 .....                     | 63 |
